My dear Parents

I am glad
to tell you that the
Holidays commence to-
day and I hope the
improvement I have
made in my studies

will meet with
your kind approbation
I also hope the weather
will be fine that I
may enjoy myself
with dear Willie who
I shall be very
glad to see at home

again I must now
conclude with kindest
love and believe me
my dear Parents ever
to remain

Your loving child
Emily
